ANNUAL APPEAL 2009

Dear Members and Friends of the Polish National Catholic Church and Spójnia:

We hope this annual appeal message finds you well. May our Blessed Lord continue to shine His light on you and your loved ones.

We are sending this message to you because we consider you to be an important supporter of the Annual Appeal for the Bishop Hodur Retreat and Recreation Center, our own Polish National Catholic Church retreat center located in Waymart, Pennsylvania. Your participation in the appeal this year will ensure that the Bishop Hodur Retreat & Recreation Center can continue to implement programs to benefit our youth and families.

You can make a significant difference in our ability to maintain not only this wonderful facility for our youth and adults, but also to expand and strengthen ministries and continue to reach out to others.

Our youth today continue to need programs and facilities where Christian and moral values are taught. Bishop Francis Hodur, our Organizer and first Bishop, had the determination to help the youth of our Church grow and develop into fine members of society and loyal, active members of the Church. Therefore, since 1929 the Polish National Catholic Church and Spójnia have tried to foster strong moral values in our youth and we continue to do so at the Bishop Hodur Retreat and Recreation Center.

In our secularized society it is important that our Church has programs for youth that will expose them to the teachings of Jesus-- programs that emphasize love, respect, kindness, honesty, and forgiveness; programs that will challenge them to serve Christ through our Polish National Catholic Church. Every summer such programs that teach these fundamental values are held for our youth at the Bishop Hodur Retreat and Recreation Center.

Each year we depend on the generosity of individuals like you to support these important programs and the facility. Please help again with your generous contribution to our appeal. Remember that your contribution is

tax deductible to the extent provided by law. Together we really can make a difference. We know that you will give our request your thoughtful consideration; and for that we say, "Thank you!"

"With truth, work and struggle we will succeed!"

Sincerely yours in Christ,

Most Rev Robert M Nemkovich
